

56th Corn Dry Milling Conference
Sponsored by the National Center for Agricultural Utilization Research and
North American Millers' Association

May 13-14, 2015

Peoria, IL

The 56th Annual Corn Dry Milling Conference, jointly sponsored by USDA's National Center for Agricultural Utilization Research (NCAUR) in Peoria, Illinois and the North American Millers' Association (NAMA), will be held May 13-14, 2015. The conference is a unique gathering of different sectors of the dry corn milling industry including industry representatives, researchers and others to review the latest research, share views on current critical research issues and industry trends and discuss other topics of general interest to the corn dry milling industry.

Hotel

Peoria Marriott Pere Marquette
