

# 57<sup>th</sup> Corn Dry Milling Conference

**Sponsored by the National Center for Agricultural Utilization Research &  
North American Millers' Association**

**May 18-19, 2016**

**Peoria, IL**

The 57th Annual Corn Dry Milling Conference, jointly sponsored by USDA's National Center for Agricultural Utilization Research (NCAUR) in Peoria, Illinois and the North American Millers' Association (NAMA), will be held May 18-19, 2016. The conference is a unique gathering of different sectors of the dry corn milling industry including industry representatives, researchers and others to review the latest research, share views on current critical research issues and industry trends and discuss other topics of general interest to the corn dry milling industry.
