

2020 Annual Corn Dry Milling Conference

Sponsored by USDA's [National Center for Agricultural Utilization Research](#) &
[North American Millers' Association](#)

Tuesday, July 21, 2020

The 2020 Annual Corn Dry Milling Conference, jointly sponsored by USDA's [National Center for Agricultural Utilization Research](#) (NCAUR) in Peoria, Illinois and the North American Millers' Association (NAMA), will be held Tuesday, July 21, 2020. The annual conference is a unique gathering of different sectors of the dry corn milling industry including industry representatives, researchers and others to review the latest research, share views on current industry issues and trends and discuss other topics of general interest to the corn dry milling industry. Because of the coronavirus pandemic, this year's conference will be virtual. Please contact Chris Clark (cclark@namamillers.org / 202-484-5621) for registration details.
